Please complete this form and submit it with your completed CEU homework assignments.

The cost of 1 CEU is \$15. Please make **check** or **money order** payable to UACCRRRA (no cash please). Payment for CEU credit **MUST** be submitted with completed homework assignments in order for CEU credit to be awarded.

Homework assignments must be complete in order to be considered for credit. Incomplete assignments will be returned. You can re-submit a homework assignment for credit, as long as it is still before the due date. You **MUST** include a CEU Homework Cover Sheet with all requests.

Homework due dates will be strictly enforced. Homework is due 3 weeks after the last session of class. In order for homework to be considered for credit it needs to be postmarked on or before that date. There are no exceptions to this policy. Classes you are earning CEU credit for must be completed in full. If you make up a session in order to complete the course, the CEU homework is due 3 weeks from the make-up session date.

Please allow 2 weeks for processing of your certificate. If you have any questions, please contact Carrie Stott at 435-232-2981 after 5:00 pm, Monday-Friday or email me at carrie.stott@usu.edu.

Completed CEU homework is due 3 weeks after the last session of class.

Family Child Care, Course 2: The Home Child Care Environment

INSTRUCTIONS:

- ▶Choose five of the following assignments to answer:
 - ▶Answer all parts of the assignments that you choose.
 - ▶Represent what you learned from your participation in the course listed above.
 - ▶Your answers need to be in depth, but try to contain them to one page.
1. Draw the indoor layout of your daycare environment. Find at least one thing you could change, which would make your environment more child friendly. Write a short summary.
 2. Draw the outdoor layout of your daycare environment. Find at least one thing you could change, which would make your environment more child friendly. Write a short summary.
 3. Have each child in your program draw a picture of their favorite toy. Have them tell you what it is and then label the picture. Compile all of the children's pictures into a book. Add to it from time to time. Write a short summary of the toy each child picked, how the children responded to the book and what you learned from doing this.
 4. Go through all the toys the children have access to, making sure they are in good working order, clean, and developmentally appropriate. Organize them so they are easily accessible to the children. Write a paragraph explaining what you did.
 5. Go through your home on your hands and knees, looking from a child's viewpoint. Make a list of hazards or safety concerns and how you will change them. Go back and change the things on your list. Write a summary of what you noticed and changed.
 6. Review the daily routines talked about in Session 3. Choose three routines that you would like to improve on. Write and execute a plan to do this. Write about what effect this had on your program.
 7. Evaluate your use of television. Review the handout on television from Session 4. Write a paper explaining your policy on TV/computer time and how you monitor its use.
 8. Look at your daily schedule. Evaluate the time spent in activities, transitions, and routines. Make changes where needed. Send in a copy of your old and new schedule.
 9. Plan and do one of the child directed activities you saw in Session four. Write a paper describing what you did, the children's reactions, and your response.
 10. Complete, copy and send in the NAFCC Standard Self-Assessments you received with each of the four sessions of this training. (Be sure improvement plan section is filled in.)
